

DR. H.R. BRYANT SCHOLARSHIP

Sponsored by Sussex Health Centre Services Inc.

This annual scholarship in the amount of **\$1,000.00** is awarded to a successful applicant enrolled in a post-secondary program leading to a career in a health care profession. The recipient must be a resident of the area served by the Sussex Health Centre.

Guidelines for Application:

Applicants should apply in writing and include the following information:

1. A transcript of your most up-to-date high school marks.
2. An outline of your extracurricular activities and volunteerism.
3. A description of your plans for a career in the health care profession.
4. Applicants should provide two letters of reference as to the personal character and academic accomplishments of the applicant.
5. The financial needs of the applicant are given due consideration. Please provide information on financial resources such as income(yours and your family's), number of persons in your household, other awards or scholarships you expect to receive, an estimate of the overall cost of your studies and an outline of how you propose to finance your program will be helpful in assessing financial need.
6. Applicants may be asked to appear for a personal interview.
7. Applicants should ensure their application is **received no later than May 24th, 2019 by 12 noon** to the following address:
